Risk Management is a Priority Year Round

Risk Management

We are nearly halfway through 2014 and we hope you had a great Memorial Day holiday! What better way to relax this summer than to put your mind at ease about your well-managed business risks? Risk management should be a priority for successful businesses year round, which is why we encourage our clients to implement now.

While Oxford's Renewal Department is hard at work with the goal of completing all renewals before fourth quarter, our Implementation Department is processing new business on a daily basis. Oxford's conservative structure protects clients from a variety of enterprise risks underwritten for their specific, unique needs.

Brooks Robinson and Bob Costas for Casey Cares

On Friday, May 16th, Oxford Risk Management Group co-sponsored a fundraiser at the Caves Valley Golf Club along with Maryland Live! Casino, and St. John Properties, which raised \$60,000 for the Casey Cares Foundation. The fundraiser was a tribute to the life of the greatest defensive third baseman in major league history, Hall of Famer, Brooks Robinson, and was moderated by the world renowned TV sportscaster Bob Costas.
