**WASHINGTON, Aug. 24, 2016** – Green Bay Dressed Beef, LLC, doing business as American Foods Group, LLC, a Green Bay, Wis. establishment, is recalling approximately 7,420 pounds of beef brain products that may be contaminated with specified risk materials (SRM) the U.S. Department of Agriculture’s Food Safety and Inspection Service (FSIS) announced today.

The beef brains were produced on various dates between April 24, 2016, and August, 11, 2016. The following products are subject to recall: [\[View Label \(PDF Only\)\]](#)

- 15-unit cases containing beef brains labeled “AMERICAN FOODS GROUP BEEF BRAINS <30” and bearing packaging code 06400.

The products subject to recall bear establishment number “EST. 410” inside the USDA mark of inspection. These items were shipped to a distributor in California.

The problem was discovered while FSIS inspectors were conducting verification activities.

There have been no confirmed reports of adverse reactions or injuries due to consumption of these products. Anyone concerned about an injury or illness should contact a healthcare provider.

Consumers who have purchased these products are urged not to consume them. These products should be thrown away or returned to the place of purchase.

FSIS routinely conducts recall effectiveness checks to verify recalling firms notify their customers of the recall and that steps are taken to make certain that the product is no longer available to consumers. When available, the retail distribution list(s) will be posted on the FSIS website at [www.fsis.usda.gov/recalls](http://www.fsis.usda.gov/recalls).

Consumers and media with questions about the recall can contact Jennifer Dibbern at (800) 829-2838.

Consumers with food safety questions can "Ask Karen," the FSIS virtual representative available 24 hours a day at [AskKaren.gov](http://AskKaren.gov) or via smartphone at [m.askkaren.gov](http://m.askkaren.gov). The toll-free USDA Meat and Poultry Hotline 1-888-MPHotline (1-888-674-6854) is available in English and Spanish and can be reached from 10 a.m. to 4 p.m. (Eastern Time) Monday through Friday. Recorded food safety messages are available 24 hours a day. The

online Electronic Consumer Complaint Monitoring System can be accessed 24 hours a day at:

<http://www.fsis.usda.gov/reportproblem>.

<b>USDA Recall Classifications</b>	
<b>Class I</b>	This is a health hazard situation where there is a reasonable probability that the use of the product will cause serious, adverse health consequences or death.
<b>Class II</b>	This is a health hazard situation where there is a remote probability of adverse health consequences from the use of the product.
<b>Class III</b>	This is a situation where the use of the product will not cause adverse health consequences.
